

REBECCA KEITH

GRAPHIC DESIGNER

ABOUT

I am a brand identity focused graphic designer with ten years experience generating creative content across a wide variety of clients and industries. As a creative thinker, I excel at translating strategic ideas into visual presentation, and creating cohesive experiences while working as a team player in a deadline driven environment.

RELATED EXPERIENCE

Presentation Graphic Designer | Immersion Legal

Remote • 2022 - Present

I communicate and collaborate with law firms across the country to create verdict winning presentations and civil trial litigation graphics.

- Work closely with attorneys to develop visually compelling presentations for court use
- Design within a time frame side by side with trial teams both remotely and on-site for development of impactful print and digital graphics
- Manage the design, production, and ordering of trial storytelling demonstratives
- Build templates, layouts, color schemes, illustrations and animations in line with client branding standards

Communications Director | Texas Criminal Defense Lawyers Association

Austin, TX • 2021 - 2022

My duties included determining and implementing creative direction, visual standards, and style guides across each channel of the associations media. I had an active role within the associations concept creation, design, advertising and production of all communications.

- Management, design and production of the *Voice for the Defense*, the associations monthly law journal
- Member of the *Voice for the Defense* Editorial Board
- Member of the Media Relations Committee
- Legal publication design and layout following each legislative session
- Multi-Media marketing materials including event brochures and posters, postcards, social media content, and cohesive web graphics
- Communication planning and direction with CEO and management team
- Development of multiple project timelines simultaneously
- Management of print vendors, bids, proofing and press checks

Lead Graphic Designer | Brand Yourself

Huntington, WV • 2015 - 2020

I was responsible for leading the design and development of the company branding and brand identity, establishing a style guide and creating marketing assets across print and digital platforms.

- B2B/B2C branding, brand identity, and concept creation
- Designed print, eCommerce and digital marketing collateral, including event materials, social media and web content creation
- Small and large format environmental design
- Retail, apparel, promotional and production design
- Built and managed custom digital mock ups and various templates
- Worked on concrete deadlines from concept to delivery
